## The Foundation *is* The Kingdom

“In Earth as it is in Heaven” (*Matthew 6:10*)

Without an understanding of the true nature of God’s Kingdom on earth as a nation-state reality, continuous throughout history since being constituted at Sinai, there can be no true comprehension of what the LORD is accomplishing by His Great Plan of Redemption and no real vision to uphold His servant people in the midst of tribulation.

As we progress through the year 2024 with the many areas of New World *dis*-Order, it has become essential to restate precisely the true factors in the *Divine* World Order. The truth of the matter is, the Christian Church has attributed to itself powers that it does not possess and, as a result, it is now enmeshed in a final Great Apostasy.

A very simple truth has been misunderstood by theologians supported by a dogma that has been developed over many centuries that Almighty God abandoned that in which He had promised to succeed: establishing His *National* Kingdom upon earth.

When Jesus Christ stated: “*My kingdom is not of this world*” (*John 18:36*), He had been put on public trial before Pilate by the leaders of the Jews. The charge was treason against Caesar, and in *no sense* was that a spiritual charge (the religious charge that He had made Himself the Son of God was separate). Our Lord’s accusers meant the charge of treason to be like any other found among men, and in answer to Pilate, Jesus did *not* state that He had no kingdom on earth, but it was not of the earthly kind, apart from God. The Greek word used here for ‘world’ is *kosmos*, and signifies ‘arrangement, order, system.’

Theologians have missed the greatest and most relevant factor in these words of One born to take up the Davidic Throne, the throne of the LORD (*I Chronicles 29:23*). The thought that Jesus intended to convey is that the Kingdom of God is of Divine origin, made “*without hands*” (*Daniel 2:34*) and different from all other earthly kingdoms, indeed, a “*kingdom of priests, and a holy nation*” (*Exodus 19:6*).

Throughout the Old Testament/Covenant with Israel, this fact is recognized and accepted. The great Laws, Statutes and Judgments

which God gave were entirely applicable to a *literal* kingdom on earth, not to a purely spiritual realm. This is an essential fact for Christians to bear in mind when it comes to running God-fearing nations today – the Kingdom of God *cannot* be established and maintained without the Divine Law set in place so that righteousness, or law observance, exalts the nation (*Proverbs 14:34*).

The earthly kingdom, represented by Pilate, was *not* of a Divine order. It could only be established by worldly power and wisdom. Thus did Jesus say to Pilate that fighting was not the means by which the Kingdom of God was being established. “*To this end was I born,*” he declared, “*that I should bear witness unto the truth*” (*John 18:3*). The nature and circumstances of His birth were crucial and, above all else, of national significance.

Jesus was born into the royal line of the only spiritually orientated kingdom that God has set up on earth. He did not come to destroy that order established by the Father, or to supersede it. He came to restore this especial and unique foundation of civilization. In His birth, He fulfilled Scripture and in His death, He fulfilled the sacrificial requirement of the law. This was the New Testament/Covenant made with both parts of the same *National Kingdom* (*Jeremiah 31:31; Hebrews 8:8*), that Jehovah promised to buy back and restore in the earth as at the first (*Hosea 2:14-23*). It is the great story of Redemption.

Clear national implications and responsibilities come from a realization of this authority of the LORD GOD in the nation-state that the politician and priest find inconvenient. There is no question of yielding the sovereign power of the nation and Kingdom to an international manmade authority. The same principle applies to the established church. Do this and *terrible* consequences must follow for the nation and the world community. The only true foundation for establishing the Divine Order of civilization cannot be abandoned without effecting judgment.

The Church has no power or ability to become the Kingdom of God upon earth in its own right set apart from the nation under God. The papacy tried this in bygone centuries and look what happened! The national church cannot be disestablished and remain a true part of the Kingdom Order. This factor is at the root of all the intense historical struggles between the Roman Church and the National Reformed Faith in the Church of England.

Most of Christendom today is in a state of confusion. The Church has no real sense of direction, even though it considers itself to be the “New Israel,” or the Kingdom which somehow is supposed to replace literal Israel, despite God’s everlasting promise of love for His servant people (*Jeremiah 31:3; Isaiah 54:8*). This debilitating dogma in Church and State can all be traced back to the darkness of the early centuries when Babylonish Roman Catholicism was growing. At that time the Papal Church became a counterfeit Kingdom with temporal power. Now, in these final Age-end days, this ambition is centred on the support of movements for a One World State. The European Union became a stepping stone to this end, which is why the Divine Purpose has delivered Britain from this system, doomed as it is to judgment.

There is a great deception growing ever more powerful as the apostasy seeks to pre-empt the Return of Jesus Christ to His Kingdom upon earth to take up the Davidic Throne. Let all Christians discern the times in which we see this satanic One World coming fully into view. There has never been more danger in the dogma which accords to the Church the attributes and powers of the Kingdom that without ‘Israel’ – meaning “ruling with God” – it does not possess.

To rob the servant nation of its great heritage in this most serious hour for the world, is to join with those who would deny the National Kingdom to our Lord Jesus Christ. King Charles III, at his Coronation on 6 May, 2023, was crowned upon the Stone of Jacob-Israel/the Stone of Destiny as ‘Regent’ to uphold the sovereignty of Divine Order *above* the politico-economic systems of this world.

It has been a fatal error to allow a single text, such as *John 18:36*, to be used as sufficient argument for rejecting the mass of Scripture showing that God established and still remains faithful to that literal Kingdom in this world. His Kingdom is not to be the godless United Nations Organization or the World Economic Forum with all their pagan disorder. The Kingdom of God is a great and enduring literal Kingdom of a Divine Order that will yet be perfected by His Righteous rule.

The faithful have been deceived by all the derisive criticism in respect of the way the Kingdom at present falls far short of the perfect way set out by Almighty God for the servant people. The fact that the Kingdom contains so much evil demonstrates the reason why the LORD must

cleanse it of every wicked tare sown among the wheat (*Matthew 13:38*).

Those who spiritualize the Kingdom of God out of a literal existence on earth practise theological sophistry. It is a fallacious and deceptive reasoning that is propounded and becomes the accepted wisdom. What we have now is a theological disaster, a dishonest approach to the Scriptures through a dogma which undermines concern for the most prestigious kingdom, **not spiritually** “*within you*” but literally “*in the midst*” of us (Gr. *entos*, see margin, *Luke 17:20*). At its worst, it does away with the blessed hope of the Return of our Lord to earth to reign in person as King of kings over *true* Israel and the world. The Coming King cannot reign on earth without a structured and powerfully constituted kingdom – indeed, without a revered royal throne of world significance.

The Throne of David has always been a literal one; even so has the seed of Jacob. Moreover, the prophetic announcement made to the Virgin Mary that “*the throne of his father David*” is actually to be given to Christ and that He is to reign over the house of Jacob for ever (*Luke 1:32-33*), has never been made void. In blindness, it is given faithful proclamation by the Church every Christmastide, particularly in *A Festival of Nine Lessons and Carols* at the Christmas Eve service held in King’s College Chapel, Cambridge.

In the modern NIV Bible, the translators had obvious difficulty in accepting the word ‘nation’ in *Matthew 21:43* for the continuity of the Kingdom, because of their blindness to the identity of Israel in the West and the rigidity of their dogma. They therefore used the word ‘people.’ However, this is not an adequate translation in the context of God’s Great Plan for the Kingdom and the world. A people detached from the nation do not put into effect and administer a kingdom – this is the prerogative of an enduring constitutional nation-state.

Almighty God established and redeemed in the earth only *one* Kingdom. That Kingdom is the foundation of true civilization – but a civilization with sovereignty and *lands* centred upon a great historic Royal Throne. **Can that be any other throne than the British Royal Throne**, with its Commonwealth of many nations, giving leadership, as it does, to the **Anglosphere** – guided by our *national prophetic record*, the Holy Bible?

The Nation and the Church are one and the same in God’s Kingdom and

Jesus Christ is the Coming King-Priest of this Kingdom on earth brought to a heavenly perfection in the fullness of time. It shall not pass away, while the Sun remains before our covenant keeping God as promised to David His servant (*Psalms* 89:3, 36).

## The Israeli – Hamas Conflict

It has always been the opinion of the (Kingdom) British Israel movement in general that the State of Israel created on 14-15 May 1948, after a campaign of Ashkenazi Jewish terrorism against the British Mandate of Palestine, resulted in an Edomite counterfeit of true Israel. A latter-day deception, to fulfil the prophecy identified by Jesus Christ as the fig tree that did not bear fruit, eventually to be cut down (*Luke* 13:6-9).

That the name 'Israel' was used meaning 'ruling with God' revealed this was Esau claiming back the birthright from Jacob-Israel Britain. Therefore the Esau-Israeli State has been masquerading as Jacob. It most certainly has not fulfilled *Zephaniah* 3:20 where the Lord says "***I will make you a name and a praise among all people of the earth, when I turn back your captivity before your eyes.***" The very name of 'Israel' is becoming toxic amid the current conflict.

*Isaiah* 53:17 cannot be used to support the position that the State of Israel will be delivered. "***No weapon that is formed against thee shall prosper***" most certainly cannot be attributed as protection and deliverance for the Israeli State, but a cruel falsehood for the future, when the truth of the Israel Kingdom identity will need to be proclaimed and from which Christians who believe that the Israeli State is true Israel would find it difficult, if not impossible, to recover.

There is one very important prophecy that applies to what took place in 1948 that being *Ezekiel* 11: 15-16; this is where the "***inhabitants of Jerusalem***" (the Edomite Jews (non Israel) said to Britain-Israel "***get you far from the LORD***" – that is Palestine under the British Mandate – "***unto us is this land given in possession.***" The 'Israeli is true Israel' view has been a trap to dominate all of Christendom.

The whole of Palestine was set-up for conflict in 1948 which has gone

on for **75 years** and is now coming to a final terrible end where the Fig Tree that has not borne fruit is facing what the Jews at the Masada Fortress faced in AD 73, as Christ said it would. There has been continuing unending conflict with the Arab nations from day one – unlike the foreview deliverance of ‘Jerusalem’ in the West, under the British Forces in 1917 *without a shot being fired*.

The timing now is supremely significant. **75** is the number of **fruition** between **1260** (tribulation) and **1335** (*Daniel* 12:12) which, while it is blessing for the true servants of the Lord, is **judgment** and/or **finality** to those against His plan and purpose.

## About This Newsletter

**The Kingdom Foundation** was launched on New Year’s Day in 1993 by the Trustees of the Christian Israel Foundation for the publishing trust of their magazine *Wake Up!* This became necessary after the financing of the publication was withdrawn by BIWF in the UK.

Over the years since, although the magazine itself ceased publication by December 2000, a series of ten booklets on our unique Constitutional Heritage was published in 2016 during the EU Referendum campaign.

Since then a further two significant booklets were produced in 2021 as New Editions entitled: “Britain’s God-given Scientific Heritage Destroyed by Metrication Madness” and “Western Civilization is destroyed by Pietism and Lawless Dogma.” There is also a special BIWF booklet entitled “King David to King Charles III – Direct Lines of Descent.”

All of these booklets are still available by request to the email address:  
[michael153clark@hotmail.com](mailto:michael153clark@hotmail.com)

As of 2024, The Kingdom Foundation is taking note of the debate now engulfing the world over the State of Israel in which the very name 'Israel' is becoming toxic. This new newsletter is being launched with the theme of 'Light from South Wales' under the title ***The Anglosphere – With our National Prophetic Record***. Future articles will cover current topics from this Scriptural perspective.

## **Late Events Update**

Monday the 22 January, 2024, marked 4 x 13 years since 1972 when Britain signed the Treaty of Accession to the EEC under the Treaty of Rome, a period of 4 x 12 x 390 *solar* days, significant of world trouble in government for Ephraim-Britain. That event was marked for the black printer's ink that was thrown over PM Edward Heath delaying the fatal signing ceremony by one hour. It was also the anniversary of the death of Queen Victoria in 1901.

It does appear significant that it was on Monday night that storm 'Isha' struck the UK, a *damaging* 9<sup>th</sup> storm (judgment) the UK has experienced since last September. Also on this night, US and the UK fighter aircraft struck again in the Yemen against the Houthi who are continuing to strike international shipping in the Red Sea. The conflict could now bring in Iran.

24 January 2024: General Sir Patrick Sanders speech: "Army chief: Public face call-up if UK goes to war," *Telegraph* – British Army reduced to its smallest size for centuries; anniversary of Sir Winston Churchill's death 1965 = 666 plus 42 months (contest with evil/confusion).
